7. Statements by Members
8. Question Period
9. New Business
 - Council Membership Package
 - Financial Report
10. Discussion Period
11. Adjournment

President's Report

Dear Council,

Welcome back to Council, even though I know that many of you have been working hard all summer long! For the past few months Théa, Laura and I have been working on all sorts of things, trying to get CESA ready for the return of students. Jody and I have spent a lot of time sorting out the budget and all of those fun financial things. Laura has been working tirelessly on getting everything ready for camp, and believe me that its going to be awesome! Théa, as you all know by now, has been sorting out office hours and getting all of the calendars organized. I also attended many President's Caucus in June and July, where we discussed the upcoming issues at Queen's.

As always, Frosh week was amazing, and we're excited to welcome the new frosh into our family. The Sidewalk sale was also a huge success, as well as the Buddy Picnic. The B.Ed Spreas is PHENOMENAL, and I am so impressed with our editors and all the hard work they have been putting in for our newsletter. The Website is also up and running, and Sarah is a master of putting messages up within minutes of being asked. And Ben single-handedly ran the first year elections and we're excited to have Dana, Mike, Katie, Evan and Kaylee join our council!

Last Thursday I attended the first AMS Assembly meeting of the year, and it lasted for four and a half hours. I'm sure that Paul will inform you of the many interesting things that were discussed. And on October 4th, Alex and I will be heading to an Academic DSC Assembly to talk about the changes in courses and programs at our school.

This year we are planning some major changes for the office. We have already rearranged the furniture to allow for maximum space, and a new feel for the year. We have also taken steps to improve the security of the office. The locks were changed over the summer so that we can try and keep track of who has access to it. There is also a safe, which has been bolted into the wall and floor, so that money can be kept in the office without the risk of another theft.

Right now we are looking forward to Con-Ed Camp and for this year's events to get underway. As always, if there are any questions or concerns, please contact one of us and we will do our best to help!

Best wishes,

Anna
