- a. Enrolment Numbers: numbers are up. They are increasing the target by 20 this year. It puts number in frosh groups into 14-16, we could increase the number of teaches, looking for solutions.
- b. Tricolour Award: We are looking for a CESA Council member to sit on the Tricolour Award Committee which recognizes a student for extra-curricular activity at Queen's. Laura Skellet is our representative for the committee.
- c. TELC Update: increasing numbers in Con-Ed and decreasing in consecutive education. There are Ontario schools overseas that Peter Chin is working on for third placements and alternative practicum placements.
- d. Conference: If you won something from the raffle, please pick up your prize in the office.
- e. Enrolment: will the increased numbers skew voting? It evens out because more students need more representation.
