President's Report

Dear Council,

I can't believe that I'm actually writing this, but this is our last meeting before AGM! I firstly would like to thank you all for making this year absolutely fantastic and that I couldn't be happier with how things turned out. Each and every one of you put a lot of time and effort into making this year a success, and we wouldn't have been able to do anything without you.

Big congratulations to our *Fabulous* Social Affairs Commissioners, Leah MacPherson and Sarah Fortune for hosting our amazing formal this past weekend. For all of those who attended, the night was phenomenal. Another thanks goes out to Sarah Wolinsky for organizing the photo contest and putting together the slideshow! What a great way to end off the year eh? Yes. Yes it is.

In other, much less exciting news, I attended both a DSC Meeting and an AMS meeting this week, which will be reported on by Alex, Paul and Katie. Although AMS hasn't actually happened before I write this...I can already tell that it will be epically long, so I know that there will be lots to update you on.

I will be talking about this in tonight's meeting, but if you need any help putting together constitutional changes for the AGM please feel free to email or meet with me and we can work on them together.

Finally, now that all of the hiring for the new CESA Council 2011/2012 has been completed, Alex will now start his exciting transition period. I know that he'll be able to take the reigns in no time!

That's all for now,

Anna
