## **President's Report** November 27<sup>th</sup> 2011

Our last meeting of the semester! How far we have come! We have a bit of housekeeping to take care of tonight so bare with us.

### **Post- Peter Chin's Talk**

The vibe I am getting from students after Peter Chin coming to talk that although there are things beneficial about the GPA scale system they have proposed, it still does not address the concerns we have brought forward. If this is the case (or not the case), the next time I will meet with Peter I will talk to him about it. Just let me know how you still feel about it at the meeting tonight!

### **Mid-Year Reviews!**

Best part of these is you all automatically get 4.0's for being so awesome on Council this year! Your Umbrella head will be sending out an email shortly asking you a time to meet for your mid year review/check-up. This is NOT an evaluation, it is just to check in to see how you are doing, if any problems have arose, and to review you platform (if you were elected on one) to ensure you are on a good trajectory going into the winter term. And we get to see your faces one last time this year!

### **Tuition Update!**

So an email has gone out to every effected student in Con-Ed. Their deadline is May 1<sup>st</sup> to pay the fees which I believe to be an appropriate amount of time. I am still getting an email here and there about it (people who were charged and did not receive one) so I will check in with the registrar to make sure that every student was actually emailed and not slipped through the cracks

### **CESA Council Contracts**

Thanks to all that got their contract in so far!

### **Secret Non-Denominational Gift Exchange**

Tonight!!! Can you guess who got you???

## **AWARDS!**

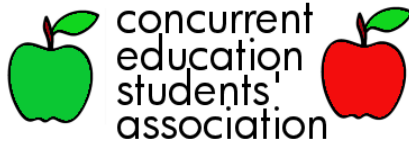

Hey first years! Remember those cool looking plaques in the Con-Ed Office we showed you during Frosh week? Well Captain CESA and Rookie of the Year are still up for grabs and now that we are half way through the year its time to buckle down and keep showing your Con-Ed spirit! Keep being awesome!

### **Robert J Hill Award Committee**

We must elect the chair of the Robert J Hill Award Committee! Exciting! We will tell you all more about this during the meeting

Until Next semester (woo!) and with much Con-Ed Love,  
Alex

HAVE A GREAT BREAK EVERYONE! And to those that see this, send me an email with your favourite thing about the winter season and you will win a surprise in your mailbox!

Hello Council!

Welcome to the final CESA Council meeting of 2011! Hope you're gearing up for the exam period and getting ready for some time off over the Winter Break! There are many things happening right now in the External Umbrella including Stress Bustin' workshops, moustaches & Trees of Life, QCE, bursaries available for events, and planning for Frosh Week 2012!

### **Internal Mid Year Reviews**

It's halfway through the 2011/12 year and we'd really like to hear your feedback on us as an executive team! At the beginning of Sunday's meeting, we will be handing out Internal Reviews for you to fill out. Please take the time to rate how we have done based on our platform points from last year and leave comments on what we can do more of!

### **Umbrella Meetings**

I will be sending out an email to the External Umbrella to do individual meetings with you all this coming week or within the exam period. Please let me know when you are available so we can meet up and discuss what you have done already and have planned for the coming semester!

### **Coming Soon in 2012!**

There are many things coming up in the External Umbrella! Watch out for:

- Workshops
- QCE
- Second round bursary deadline for QCE (January 10, 2012)
- Frosh Week 2012 Teach Hiring (TBD)
- And so much more!

Thanks for reading and have a minimally stressful exam period!
